Covering all the essentials to reinvent simplicity

## WORLDWIDE LEADER IN FINISHING SYSTEMS

In-house lens finishing enhances patient service and gives your practice a competitive advantage. Essilor Instruments makes in-house finishing easier and more profitable to help you grow your practice.

Our finishing offerings range from the all-in-one Delta2 system to the trusted Neksia, and premium Mr. Orange and Mr. Blue edging systems:

**Experience** — Celebrating 50+ years of best-in-class R&D and manufacturing of lens finishing systems

**Quality** — ISO 9001-certified, Essilor Instruments performs quality-control procedures at all stages of the manufacturing process

**Service** — All services performed by Essilor Instruments certified technicians

Let us show you how Essilor Instruments can benefit your practice.
