

Did you know we service your existing Kappa and Delta/Sigma edgers?

Your Essilor-manufactured edger can be up and running so you can continue to provide excellent patient service with in-house lens finishing.

Contact us for:

- ▶ **Our experience** - Celebrating 50+ years in the business of lens finishing systems
- ▶ **Our service** - All services performed by Essilor Instruments' certified technicians
- ▶ **Parts replacement** – Extensive availability of parts
