

**Don't miss out on additional profit.
 Bring finishing in-house!**

For over 70 years Essilor Instruments has been a pioneer in the finishing industry, offering robust and high-performing edging systems to boost your productivity and expand your capabilities.

Why add in-house finishing to your practice:

- Better control
- Faster turn time to enhance efficiency
- Higher margins to increase your bottom line
- No extra staff needed

**Purchase directly from Essilor Instruments, the
 worldwide leader in finishing systems.**
